

## Second Notification: H.Pylori Breath Test, Adult and Pediatric Test Code and Collection Kit Changes

Date: October 6, 2023

Dear Regional Pathology Services Clients,

**The first notification below about the discontinuation of the BreathTek® collection kits was sent March 30, 2023. We are no longer able to accept the BreathTek® kits effective immediately. Please discard any old supply and order the BreathID® test kit for H Pylori (KIT\_01).**

Due to manufacturer discontinuation of the collection kits for adult and pediatric collections (BreathTek) of the Helicobacter Pylori Breath test, we will be offering a new collection kit that can be used for both adult and pediatric collections (BreathID). The replacement test, *Helicobacter pylori*, Breath Test HPBT, is orderable for patients 3 years and older. This change is effective Monday April 3, 2023.

The new kit can be ordered on our supply portal at [www.reglab.org](http://www.reglab.org). Kit information is below:

Product ID	Product Name	Picture	Actions
KIT_01	H-Pylori Breath Test Kits (SendOut)		 

### Interfaced Clients:

The new test code will be **HPBT**. Interface build is below.
