

Labeling Requirements for Blood Bank Specimens

Date: October 21,2022

Dear Regional Pathology Services Clients,

Effective immediately, for Blood Bank compliance standards we require the following information on every specimen. This also applies to all Type and Screens and ABO confirmations. If the information below is not on the specimen label, the test will be rejected.

Patient Name

MRN/DOB

Phlebotomist initials

Date & Time of Collection

Thanks for your cooperation in our effort to provide excellent patient care.
